

## ESPI vacancy notice

### Research Internship on Space Economy and Finance

The European Space Policy Institute (ESPI) is looking to employ a **Research Intern** for a duration of **6 Months** at the premises of the Institute in Vienna, starting from **June 2019**, to support ESPI Research Team on several space economy and finance related projects.

#### The European Space Policy Institute

The European Space Policy Institute (ESPI) is an association ruled by Austrian Law, based in Vienna, funded at its inception (2003) by the Austrian Space Agency and ESA, and now supported by 17 members which include European national space agencies, the European Commission, and main European space services companies and manufacturers.

The Institute provides decision-makers with an informed view on mid-to-long-term issues relevant to Europe's space activities. In this context, ESPI acts as an independent platform for developing positions and strategies.

ESPI fulfils its objectives through various multidisciplinary research activities giving way to the publication of books, reports, papers, articles, executive briefs, proceedings or position papers and to the organisation of conferences and events including the annual ESPI Autumn Conference. Located in the heart of Vienna, the Institute developed a privileged relation with the United Nations Office for Outer Space Affairs and with a network of researchers and experts in Europe and across the globe.

More information on ESPI is available on our website: [www.espi.or.at](http://www.espi.or.at)

#### Research projects

ESPI will conduct several studies with the objective to provide a robust assessment and sound analysis of various space economy and finance trends. Addressing different issues and segments, these projects will involve the review, compilation, classification, consolidation, exploitation and display of a wide range of information and data from public sources, specialized reports as well as ESPI surveys and interviews of relevant stakeholders.

#### Duties

Duties and responsibilities envisioned for the internship include:

- Support ESPI Research Team in the frame of Space economy and finance research projects:
  - Contribution to methodology and analysis tools preparation;
  - Background research including literature review, information and data collection and compilation in databases;
  - Consultation including preparation and conduct of surveys and interviews;
  - Data processing, exploitation, analysis and graphic rendering;
  - Comprehensive and thorough analysis of the research thematic;
  - Synthesis of results and recommendations;
  - Report writing and editing;
- Support general activities of the Institute:
  - Conferences, workshops and other events organization;
  - Working with other researchers and interns of the institute on common projects;
  - Project control and reporting to ESPI management, partners or customers;
  - Participation to ESPI daily routine and meetings;

## Qualifications and competencies

For this internship ESPI is looking for applicants with an educational background (at least 3 years degree) in preferably Economics, Business Administration, Finance but also welcomes applications from candidates with other educational background (Engineering and International Relations) who can justify acquaintance with the research topics or a related field. The following competencies would be considered an asset:

- Previous experience in consultation and data collection, processing and analysis;
- Handling of analytics and graphic rendering software (e.g. Excel, Tableau)
- Previous experience in policy and/or economy research, consulting or advisory;
- General knowledge and understanding of space institutions, of their programmes and strategy and of the main political, technical and economic trends affecting the global and European space sector.

Applicants to the internship should demonstrate good interpersonal skills and the capacity to work both independently and as part of a team. Good knowledge of MS Office is required.

The working language of ESPI is English. **Excellent command of the English language, written and oral, is imperative.** A track record of articles, papers, thesis or reports written in English will be appreciated.

## Application process

ESPI can only accept applications by EU citizens or non-EU citizens holding residence and employment permit in Austria.

To apply for this internship, please send to [office@espi.or.at](mailto:office@espi.or.at) a copy of your CV, a cover letter and – if applicable – sample documentation supporting your qualifications (e.g. a previously published article, thesis extracts, etc.), with subject: “Research Intern – Space Economy and Finance” before **5<sup>th</sup> May 2019, 19:00 CET**. Please do not submit educational records or certificates at this stage.
